JUST YOUNG PIG  
IN OUR SAUSAGE

Scraps of pork,  
veal and beef are  
not good enough  
for our sausage.

Nothing but  
the cleanest meat

from young pigs, with just the right amount  
of spices after an old family recipe, goes in  
to the sausage we serve our customers.

We know this sausage is good and we  
want you to try a pound.

Do it now.

## GET LOOSE ON VOYAGE

Box Billed as "Samples" Causes White Officers and Crew of Lascars, Sailing From Kobe, Japan—"Keep Away From Boilers" Warning.

New York.—It was on a innocent enough looking box that came aboard the steamer at Kobe, Japan, but it was the beginning of several weeks of horror for the officers and crew of the St. Patrick, a British freighter that warped alongside her pier in the American docks, Staten Island. The St. Patrick is in from Singapore, Hongkong and other far eastern ports with a mixed cargo, largely consisting of live reptiles.

No being within the box was labeled "Samples" and bore the warning, "Keep away from boilers." The warning was complied with. Three days out of Kobe, while the St. Patrick was steaming toward the Chinese coast, Second Officer Dawson, who was supervising the shifting of cargo in the hold with the aid of several lascars, heard a peculiar noise in the ship's hold.

On following the sound, Dawson found that the noise was coming from a box in the hold. Thinking that rats had got into the hold, Dawson ordered the lascars to look into the box. They found a large number of live snakes. The lascars were terrified and fled. Dawson ordered the snakes to be thrown overboard.

Warhena, Kan.—My child's scalp trouble became so bad that I was ashamed to have anyone see him. His head had a cold, red, itchy, and a terrible itching on his face. The eruption was like pimples which developed into sores when he scratched, which he did almost constantly. He would almost scratch himself raw.

Warhena, Kan.—My child's scalp trouble became so bad that I was ashamed to have anyone see him. His head had a cold, red, itchy, and a terrible itching on his face. The eruption was like pimples which developed into sores when he scratched, which he did almost constantly. He would almost scratch himself raw.

## Two Women Saved From Operations

By Lydia E. Pinkham's Vegetable Compound—Their Own Stories Here Told.

Beatrice, Neb.—"Just after my marriage my left side began to pain me and the pain got so severe at times that I suffered terribly with it. I visited three doctors and each one wanted to operate on me but I would not consent to an operation. I heard of the good Lydia E. Pinkham's Vegetable Compound was doing for others and I used several boxes of it with the result that I have been bothered with my side since then. I am in good health and I have two little girls."—Mrs. R. B. Child, Beatrice, Neb.

## Superior Points of the Akron Truss

1. The pads WILL NOT SLIP.
2. Severe and almost hopeless cases of rupture are held where all others fail.
3. Pads are made from the finest rubber, blown to a fine porosity, soft, comfortable and velvety to the flesh, and firm enough to hold all cases perfectly.
4. The Pads extend beyond the rupture edges and thus afford a holding surface, this with the remarkable holding qualities of their fine rubber surfaces are such that when the ruptured parts are brought together they are held together and very possible chance given to unite.
5. They hold the rupture by covering, not by a senseless, crutching only, that prevents closing the rupture.
6. Few ruptures can be cured by a truss, but where it is possible for a truss to cure a rupture by holding it properly, this truss will accomplish it.

"Now, at the sight of her standing over the fire, she experienced a sudden change, with a sudden surprised look, which hardly conscious that she thus had been dressing and while he came down stairs he had been hoping that she would be there. He cast a quick glance ahead of him, saw her, and looked away. The path of her feet was stolen, and while she was still standing there, he

But again, regarding her, she knew that while he was sitting in his chair, and his attendants were settling him, she had not looked from her contemplation of the life. He already knew her well enough to have a comfortable assurance of her invariable quick tact. If

was not until the two men were leaving the room that she turned to him and said as if responding to his trapped expression:

"It's a legitimate portion," he answered, looking about him. "Never saw a better one. Who's the fellow that sold the woman the wax flowers?"

first time I went East, somebody gave  
 it to me to read on the train. I read  
 three chapters and I was more amazed  
 than anybody in the history of the world  
 was at it. I read and I said, "I wish  
 I knew French." I'll bet it amazed  
 him.  
 "You don't seem to have anything  
 in the nature of a preference, so far.  
 I wonder how this will suit you."  
 "Nécessaire, de Paris," by Victor  
 Hugo.  
 "I don't understand French."  
 "It's English and it's quite worn out,  
 as if it had been read over and over.

"Oh, I've read that. I just remember. It's a rattling good story, too. About the hunchback and the gipsy girl who told fortunes and has a pet goat. The priest, who's a villain, falls on the steeple and comes to a better

by his finger nail with his enemy watching him. It's the finest kind of story."

...the hero's one that's evidently been a great favorite. It's in paper and it's all tumbled and torn. Somebody's written across the top, "Of all the damned foul people..." Oh, I beg your pardon, I read it before I realized that was the name of the Negro.

1. The first part of the document is a letter from the President of the United States to the Congress, dated January 1, 1865. It is a message of peace and reconciliation, and it is the first of its kind since the beginning of the Civil War.

### The Forty Year Test

An article must have exceptional merit to survive a period of forty years. Chamberlain's Cough Remedy was first offered to the public in 1873. From a small beginning it has grown in favor and popularity until it has attained a world-wide reputation. You will find nothing better for a cough or cold. Try it and you will understand why it is a favorite after a period of forty years. It not only gives relief, it cures. For sale by all dealers. ADV.

## "Pittsburgh Perfect" Fence

Why the Electric Weld is the Most Effective Fence-Joint made

Electrically welding joints eliminates innumerable exposed wire ends, and does away with sharply and tightly bending one wire against another, which cracks the galvanizing. The Electric Weld makes every ounce of wire count for strength and durability—no wasted wire, no useless weight dragging down the fence. Electricity is the only medium which truly amalgamates metals—makes two wires one. As we use it, the galvanizing is piled around the joints, producing a one-piece fabric with absolutely dependable joints. Electrically Welded fence joints (patented) are used only in "Pittsburgh Perfect".

## SAN JAK

The Greatest Cure and Preventive for Bright's Disease.

No one ever cured kidney trouble with a pill, powder, tablet or mineral water. The reason is there is nothing in them by which you can force the drug to the vital point and neutralize the poison in the tissue and reduce the inflammation or granulation of the kidneys. (These are statistics by the most eminent men in the faculty.)

Symptoms of kidney trouble: swelling under the eyes, grayish white or wax color of the skin denotes granular diseases of the kidneys. The cure is SAN JAK. The reason is clear. SAN JAK neutralizes poison in the tissue of the vital organs of the body, clearing away inflammation and egg-barrier in all parts of the digestive tract and vital organs. SAN JAK is the only preparation allowing a normal expansion of the kidneys at all times, by which action the kidneys are enabled to absorb alkaline sulphates, which are the decomposed products of the bowels, and eliminate them. Otherwise, in renal weakness, this condition is the cause of ill health and Bright's with rheumatism.

SAN JAK will not harm a weak person, and for the weak and the faithful use means perfect health and strength for young and old.

Man should die of old age, not disease.

San Jak will keep your blood as pure as mine. We sell San Jak and will guarantee satisfaction or return the price of one bottle, \$1.00.

## The Easy Laxative

In justice to yourself you should try Rexall Orderlies, your money back if you don't like them. They are a candy confection that really do give easy relief from constipation.

Good health is largely dependent upon the bowels. When the bowels are sluggish the waste material that is thrown off by the system accumulates. This condition generates poisons which circulate throughout the body, tending to create catarrhs, bad breath, headache, dull brain action, nervousness, listlessness and other annoyances.

Avoid harsh cathartics and physics. They give but temporary relief. They often aggravate the real trouble. They are particularly bad for children, delicate or aged persons.

Rexall Orderlies

Come in tablet form, taste just like candy and are noted for their easy, soothing action upon the bowels. They don't purge, grip, cause nausea, looseness, nor the inconvenient, embarrassing use of the use of purgatives. Their action is so pleasant that the taking of Rexall Orderlies almost becomes a desire instead of a duty.

Children like Rexall Orderlies. They are ideal for aged or delicate persons as well as for the most robust.

They give quick relief from constipation, and also to overcome its causes, and to make unnecessary the frequent use of laxatives. They serve to tone and strengthen the nerves and muscles of the bowels and associated organs or glands.

Make Us Prove It

We guarantee to refund every penny paid us for Rexall Orderlies if they do not give entire satisfaction. We ask no promises and we in no way obligate you. Your mere word is sufficient for us to promptly and cheerfully refund the money.

Doesn't that prove that Rexall Orderlies must be right? You must know we would not dare make such a promise unless we were positively certain that Rexall Orderlies will do all we claim for them. There is no money left backed up to a trial of Rexall Orderlies, and in justice to yourself, you should not hesitate to test them.

Rexall Orderlies come in convenient vent-pocket size tin boxes: 12 tablets, 10c; 36 tablets, 25c; 60 tablets, 50c.

CAUTION: Please bear in mind that Rexall Remedies are not sold by all druggists. You can buy Rexall Orderlies only at The Rexall Store.
